

TASTY ISTRIA

Our aim is to attract advanced in years guests to study the region, taste it with all their senses and enjoy our hospitality and high quality kitchen of our Chef!

We are full of desire to help you organize unforgettable and very special vacation, anniversaries or any kind of other events. The Peninsula carefully preserves its traditions and we will advise our guests the best sights to visit and study to understand the region and fall in love with it. We will invite you to come to Trapani winery to degustate local wines and see how the grapes grow and learn how wine is made. You will come to taste different kinds of local homemade cheese at the Kimparicka station & farm. Regional kitchen is known to be rich both with vegetables, meat and sea fruit. Local truffles are always associated with the remembering. Once trying it you remember the unique taste forever. And in the master's hands even the most common things turn into a miracle. Let you enjoy Istria with Velanera Hotel & Restaurant!
